On March 24th, the students who had participated in International Science Forum joined the farewell party. They also participated in various Japanese club activities.

▶The students tried Japanese archery and Japanese tea ceremony.

▲At lunch time, the students ate fruit punch made by Cooking club.

In the morning, HHHS students (1st grade) and students of overseas partner schools walked around Hikone Castle, Genkyuen Garden and Castle Road. The students from overseas enjoyed the scene of Japanese Castletown. At the farewell party, the students also enjoyed good food while chatting with HHHS students. In addition, Ginnyan (the official character of HHHS) came to this party, and they took pictures together. They exclaimed, "So cute!"

▲Ginnyan came to see the students off.

In the afternoon, the students from overseas experienced Koto (Japanese harp) music club, Japanese tea club and Japanese archery club.

Samuelson (KKSHS student) said, "For me, ISF is going to be one of my best experienced that I have ever had. I met many new friends and I would like to visit Hikone Higashi High School next time."

▲Samuelson also played an active role in his research presentation.
